WELCOME TO *Better Banking*

**FARMERS
STATE BANK**
Neighborly Service

Choosing the right bank for you and your family is an important decision. Luckily, Farmers State Bank is here to help. With a range of exceptional products and services, we'll make the transition to better banking easy. We know you have options when it comes to banking, and we appreciate your business.

Thank you for choosing Farmers State Bank!

MAKE THE SWITCH

Farmers State Bank's switch kit is designed to make changing banks easy. Your time is important, so follow these simple steps to get started:

STEP 1: *Open and Start Using a Farmers State Bank Account*

To get started, visit any of our three locations and we'll help you choose the right account. While you're there, don't forget to sign up for our free Online and Mobile Banking and learn more about Bill Pay.

STEP 2: *Change Your Direct Deposits*

To set up direct deposit, use the Switch Direct Deposit Form and send it to anyone who makes automatic deposits into your account, such as your employer or your retirement plan. Make copies of the form if necessary.

STEP 3: *Change Your Automatic Payments*

Use the Change Automatic Withdrawal Form to change any withdrawals or payments that are automatically taken out of your old account. Don't forget to notify the companies that may be using your old debit card number, as well as the payments you make less often than monthly.

STEP 4: *Close Your Old Account*

Once your checks have cleared and you've changed your deposits and withdrawals to Farmers State Bank, let your old bank know that you are closing your account using the Authorization to Close Account Form.
